Oil City is a web and mobile-based news platform providing readers in Casper, Wyoming with news content that is first, fast and *always* free. We are passionate about our community, and that passion shows in our coverage of local topics including breaking news, crime, local government, events, area businesses and more. What began as a small news blog in 2014 has grown into Casper's largest and most popular local news platform.* In today's fractured media environment, there is no better platform than Oil City News when you want to communicate with Casper's most highly engaged, mobile audience.

OC BY-THE-NUMBERS (MARCH 2020)

- Average **over 3,180,000 monthly pageviews**
- Over **1,058,040 monthly readers**
- Over **45,000 Facebook followers** (Casper's largest local news audience)
- Over **816,000 Facebook engagements** per month
- Over **6,400** daily e-mail subscribers
- More than **80%** of page views generated on mobile devices
- Recognized as "**most preferred**," "**most timely**," "**most accurate**," "**most trustworthy**," "**easiest to use**" and "**most relevant**" among all local online news platforms, according to a 2018 study that included Oil City News, K2 Radio, Trib.com, K2TV and KCWY.
